

HUTTLESTON MARKETPLACE SURVEY

Name _____ I am a vendor ____ I am a shopper ____

Please check all lines that apply. Return survey to FairhavenTours@fairhaven-ma.org Additional comments welcome

___ Require all items at booths be locally handmade or prepared by the vendors themselves (except that individual craft parts, beads, charms, findings, etc., may be commercially manufactured as long the finished items are designed/assembled/decorated by the vendors.)

___ Allow booths to have a mix of hand crafted items with some compatible items from select commercial makers.

___ Allow booths to have only commercially manufactured or imported handmade items not made by vendors.

___ Allow beginner/novice and hobby artists and crafters who are just starting out at markets.

___ Require that all art, images, logos, designs be original to the vendors and not commercially sourced, except for printed fabrics used to hand make other products.

___ Keep ban on manufactured direct sales (multi-level marketing) items like LuLaRoe, Paparazzi, etc.

___ Allow manufactured direct sales (multi-level marketing) items like LuLaRoe, Paparazzi, etc.

___ Continue to limits to prevent having too many vendors selling similar products.

___ Keep season length the same, (third Saturday in May through third Saturday in September.

___ Start season earlier, (**first Saturday** in May through third Saturday in September).

___ End season later, (third Saturday in May through **last** Saturday in September).

___ Lengthen season in both directions, (**first** Saturday in May through **last** Saturday in September).

___ Keep current hours, 10:00 a.m. to 3:00 p.m.

___ Change hours to 10:00 a.m. to 2:00 p.m.

___ Change hours to 10:00 a.m. to 4:00 p.m.

___ Change to other hours _____.

___ Reinstitute donation schedule of \$8 to \$20 per week depending on frequency (non-refundable).

___ Keep booth space free, with completely optional donations.

___ Try to attract more "upscale," "high end" artisans and fine artists whose products are at higher price points.

___ Try to attract more vendors selling moderately priced, "affordable" products.

___ Try to attract more vendors who offer vintage/collectible/upcycled and quality used items.

___ Try to attract more vendors offering locally made food products, farm produce, etc.

___ Try to attract more vendors offering products for children.

___ Try to attract more vendors offering products for pets.
